

## Coppercast Chesapeake Puppy Reservation Questionnaire

Puppy prices are \$2,000 - \$2400. Puppies will be micro chipped and registered with the AKC. Contract available upon request. We will request a \$150 deposit to secure the reservation once pregnancy is confirmed.

Should Coppercast Chesapeake, Mitchel or Diane Horowitz determine that none of the puppies available from the current litter suit your needs, your deposit will be transferred to the next litter available or refunded, if there are no planned litters in the next 6 months. Deposits are NOT REFUNDABLE if you change your mind and decide you do not want a puppy after the litter is 5 weeks of age.

Litter Preferred (not guaranteed): \_\_\_\_\_.

Puppies purchased will be restricted to limited registration status unless specified otherwise in advance. Limited status can be changed at a later date if OFA hips and elbows and CERF, PRA tests, DM and EIC tests are passed or an interest develops in competing in conformation events.

Please make checks payable to: Diane Horowitz.
